

Changes to Insurance at 60 Car Insurance Product Disclosure Statement

We've made some changes to the wording of our Insurance at 60 Car Insurance product. The new wording is in the new Insurance at 60 Car Insurance Product Disclosure Statement (PDS) effective 1 January 2022 which replaces any previous Insurance at 60 Car Insurance PDSs.

Please note that this notice isn't part of your insurance contract with us and doesn't take your personal circumstances into account.

To make sure this product continues to be right for you, please read the new PDS, your Certificate of Insurance and any other documents relevant to your policy that we tell you form part of the contract with us. These documents set out the terms and conditions, limits, and exclusions of your insurance contract with us.

We also wanted to give you a heads up that as a part of regulatory changes that came into effect recently, we now have a document called a Target Market Determination (TMD). This document sets out who our products are designed for and how we distribute them. You can check out our TMD for the Insurance at 60 Car Insurance product by visiting insuranceat60.com.

Our new Insurance at 60 Car Insurance PDS will apply to:

- new Insurance at 60 Car Insurance policies issued on or after 1 January 2022; and
- existing Insurance at 60 Car Insurance policies renewed with an effective date of on or after 1 January 2022.
